Alumni and Friends Reunion — October 7, 2012

We're looking forward to seeing you in October at our Grand Reunion which is held every two years. A registration form is included with this newsletter. (Note: Some of you may receive both an email notification and postal mail.) This year's meal will be served family style.

Graduating classes of years ending in '2' or '7' take notice! This reunion will provide a convenient venue as well as a good reason to include your own class reunion. We may be able to provide help locating classmates.

Share Your Photos!

We're looking for old photos of the "old" neighborhood, even those including people. We'll scan those photos and return the originals to you. And if you and your camera are planning to join us in October, we want you to share your reunion photos with us. At our last reunion we displayed on a large screen almost 400 photos including class pictures and candid classmate photos from previous reunions. There are many free photo sharing options (for example, Walgreens, Shutterfly) and if you need our help, let us know. Or you can email your digital photos directly to us. Our email addresses and phone numbers are at the lower left portion of this page.

In Memoriam

Please say a prayer for our classmates: Martin V. Lavelle '47, Patrick Dolphin '48, Kathleen Durso Isola '52, James Garrity '52, Edward Hanley '52, Carol Blazina '55, and Mary Ann Rumps Eichorst '64.

If you have information about the death of a classmate, please notify Fran Kelly Cunningham '55 after 6:00 pm at (773) 784-0567, or email stvincentreunion@aol.com.

Website

We have to move our website to a new location, so there may be a period this summer when the photos and information on our website may not be accessible. We'll do our best to get it up and running as soon as possible. In the meantime if any of you have experience with WordPress we'd love to have you volunteer as our go-to expert when needed.

Father Pat Harrity '55 would love to hear from you

About this time last year we told you that we had learned Fr. Pat Harrity, former pastor of St. Vincent de Paul Church and an Alumni Planning Committee member, had contracted ALS (amyotrophic lateral sclerosis or Lou Gehrig's disease). He continues to reside in the Vincentian community in Missouri and enjoys hearing from his friends up north. Your good wishes can be sent to:
